

Map of the Colonies in 1763

Directions: On the map below, label the British colonies in 1763. Use colored pencils or crayons to indicate which were the New England, Middle, and Southern colonies. Add the following major cities to the map, and label and color the bodies of water. Use an atlas or almanac to help you.

Colonies

- Connecticut
- Delaware
- Georgia
- Maryland
- Massachusetts
- New Hampshire
- New Jersey
- New York
- North Carolina
- Pennsylvania
- Rhode Island
- South Carolina
- Virginia
